BBQ BAR SHELTER

ANTI-FUNGAL
PRE-STAINED

FULLY
ENGINEERED

MADE
& DESIGNED

Whether you're a grilling pro or just starting out, our BBQ Bar Shelter has got you covered.

This valuable addition to your alfresco dining experience is designed to provide the perfect protection from sun, wind and rain so you can enjoy your BBQ and entertainment all year round.

The Outdoorable BBQ Bar Shelter is highly versatile. It can be used for BBQs with family and friends, or as a bar and serving area—or both, in fact, how you use it is only limited by your imagination. It features quality timber construction and western red cedar shutters that supply plenty of natural light and unrivalled durability, with built-in resistance to termites & moisture.
