Create the ultimate tropical oasis in your own backyard with our pavilion-style Outdoorable Bali Hut timber gazebo.

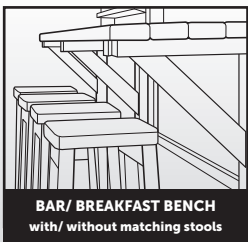

Imagine sipping on a cocktail (or two) in your tranquil timber Bali Hut or lazing a weekend afternoon away with a good book, while the rest of the world goes about its busy-ness. It doesn't have to be a dream!

Our Bali Hut delivers a sunshade retreat with a difference, giving your garden that traditional tropical look and making you feel more comfortable whatever the forecast. The Bali Hut's 30° pitched thatching insulates you by around 10°C, so you feel cooler in summer and warmer in winter.
