Entertain in the great outdoors whatever the weather! Our Outdoorable timber BBQ Hut adds that little extra elegance and class to your entertaining spaces.

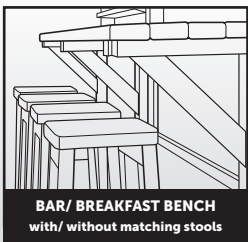

Now you can turn even the smallest space into an outstanding entertaining area with our BBQ Hut. Super compact, it has everything you need to make your next get together a roaring success.

Featuring a built-in breakfast / wine bar and bar stools, the BBQ Hut is tailor-made for Australian living. It may be smaller than our average permanent gazebo, but you can still fit a large barbie under its 30° pitched gabled roof. Is there anything more Aussie than enjoying a BBQ with family and friends on the weekend?
